

Let us pray

Jesus,

You are the way, the truth and the life and no man cometh unto the Father, but by you! Father, In the name of Jesus, I thank you for life, health and strength in the lives of your people. And as a result we are able to make a difference in the world today, starting today. May we help one another to make our communities a better place to live. May we be examples to the youth that are watching the actions of our lives. May we be there for those who are hurting, suffering, abused, confused, burdened and bounded by many of life's issues, sick in their bodies, in need of direction, wanting a closer walk with you, and heavy laden.

Thank you for giving us guidance, direction and wisdom to reach, teach, love and be an example unto your children and show them the way to Christ. You said in your word, "come to me all ye that labour and are heavy laden and I will give you rest. Thank you for that rest. I also, humbly thank you for strengthening those who preach, teach and minister your word. In Jesus name I pray, Amen!
